FAQ'S

Can we sit in on the class and watch?

Unfortunately we cannot cater to host parents inside our building as we do not have a reception area. We maximise the use of our space to enhance our classes. Inviting all parents inside can be overwhelming and over stimulating for athletes on the floor causing safety concerns. We also factor in child protection for our classes, ensuring our athletes safety is our number 1 priority.

We will hold parent viewing weeks and performance opportunities.

Do we have to do the concert?

The short answer is no! Whilst the concert is not MANDATORY we do recommend this to all athletes. This is a great opportunity to showcase and highlight our athletes and their dedication throughout the year. Please let us know before the start of term 4 if you decide to opt out of the concert.

Who do I contact if I have any questions?

Your first contact is Belinda Murray our admin manager. You can reach her via email admin@fullforcedanceandcheer.com.au or see her at the desk!
